This pack's aim is to give you a feel for our service in relation to business use. We specialize in delivering exceptional service to small corporate groups.

At Wineport all of your needs will be professionally taken care of. An informal business meeting is given the same high priority as an international video conference. A quiet environment is guaranteed to help focus on your goals, in spacious meeting rooms filled with daylight and every business requirement.

Taking some time out can be an important part of a corporate event and we regularly arrange lake cruises, powerboating, golf, massage, wine tasting, fishing and a host of interesting activities.

Delegate Rates include breakfast in bed or in the restaurant. All rooms have a view of the lake, and a private balcony. All bedrooms are non-smoking.

We very much look forward to welcoming you & your colleagues to Wineport Lodge. Please contact me if I can be of any further help with regard to your plans for a meeting or business event.
