## A GREAT PLACE TO STAY

As well as being the perfect place to get married, Wineport Lodge is also an amazing place for you and your guests to stay awhile. Little things, like a bed that faces outwards so you can wake to a wide-open view of the lake, floor to ceiling windows so you can appreciate every inch of it and private balconies where you can watch our resident swans and ducks. Put them together with super king size beds, under-floor heating and custom designed furniture and you won't want to leave.

Brunch is included on the morning after the Wedding.
